BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Proceeding.	91125615
Applicant	Plaintiff UNIVERSITY OF SOUTHERN CALIFORNIA ,
Other Party	Defendant THE UNIVERSITY OF SOUTH CAROLINA ,

Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Plaintiff's Trial Period is currently set to close on 11/30/2005. UNIVERSITY OF SOUTHERN CALIFORNIA requests that such date be extended for 30 days, or until 12/30/2005, and that all subsequent dates be reset accordingly. The grounds for this request are as follows:

- The parties are in the process of meeting and conferring over allegedly deficient discovery responses. At least one party has agreed to supplement discovery responses (which have not yet been received). The parties are also in the process of negotiating stipulations of fact that will hopefully streamline the testimony process and also may help avoid any need for a motion to compel. The 30 day extension of time will enable the parties to further revise discovery responses and negotiate stipulations of fact that the parties hope will avoid any further delay from a motion to compel and will further reduce the burden on the parties and the Board in evaluating the evidence in this matter.*

UNIVERSITY OF SOUTHERN CALIFORNIA has secured the express consent of all other parties to this proceeding for the extension requested herein.

UNIVERSITY OF SOUTHERN CALIFORNIA has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.

Certificate of Service
